

It is with regret that the Fergus Agricultural Society announces the cancellation of Breakfast on the Farm (June 20, 2020) and the Fergus Fall Fair (September 18 to 20, 2020) due to COVID-19.

Generations of dedicated volunteers work hard to organize annual events and the current situation is one of the many challenges we have faced since our inception in 1836. The objective of the Society is to encourage agriculture awareness and to promote improvements in the quality of life in our community. We are making the health and safety of our volunteers, community partners and attendees top priority in order to fulfill these objectives.

This was not an easy decision for us to make but at this time of uncertainty, we thank you for your understanding and support. The next Breakfast on the Farm is planned for June 19, 2021 and the Fergus Fall Fair will be held September 17 to 19, 2021. We look forward to seeing you next year!

2020 Board of Directors
