RE: 2021 Millbrook Fair

To our valued Community, Supporters Members and Friends,

It is with mixed emotions that we the Board of Directors of the Millbrook Agricultural Society have made the difficult decision to cancel the 2021 Millbrook Fair, which was scheduled June 10-13TH. This decision was made after much consideration, and discussion, however, due to the current status of the pandemic, we feel it is our responsibility to help prevent any risk to our community, supporters, exhibitors and friends of the Millbrook Fair.

That won't stop us from having some virtual Fair Fun. We are planning a scavenger hunt, virtual contests, fair food and more. As the activities materialize, they will be announced on our website and social media platforms.

On behalf of the Fair Board thank you for your continued support and rest assured we are working together to make the 2022 fair the biggest and best yet!

We wish you good health in the difficult days ahead.

Debra Post
President
Millbrook Agricultural Society
